GREAT libraries have GREAT Friends!

Belong

In 2007, the Friends of the Delaware County District Library was created for one purpose, to help our libraries by donating time and money. For as little as **\$10 annually**, you can be part of an organization that **funds programs and activities** that inform, entertain and inspire. As a volunteer, your work – whether on a committee or at a book sale – **raises money and awareness** for an institution that exists to serve the needs of every single person in our community. You don't have to be a regular library patron to imagine how fulfilling we find our role!

Benefit

As a Friends member, this is what you'll get:

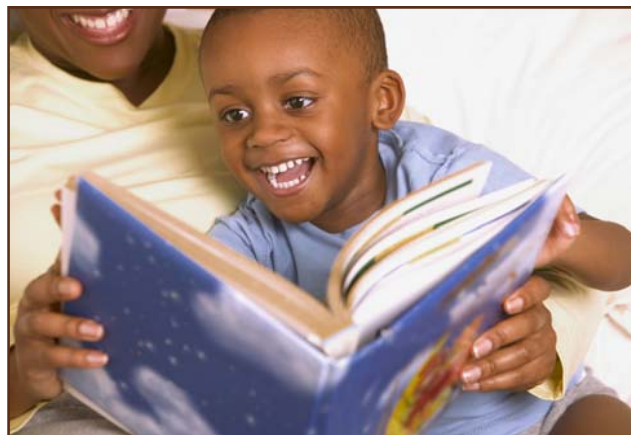

- **Invitations** to members-only events, like author receptions and book pre-sales
- **Discounts** at area businesses (see next panel for details)
- **Newsletters** filled with exciting library and Friends news mailed to your door
- The **satisfaction** of knowing you are advancing the library's mission

Brag

As an organization, this is what we do:

- **Sponsor** special library programs and activities not always covered by public funding
- **Schedule** used book sales to raise money for the library
- **Promote** our library in the community
- **Support** a vital community institution

Get discounts!

Delaware County businesses are proud to support the Friends by offering members-only discounts! You must show proof of membership to be eligible (*a sticker for your library card will be mailed when your application is received*).
