

2010 Summer Reading Club

Make a Splash!

Just for 'Tweens @ Delaware

Wednesdays from Noon to 1:00 p.m. Ages 9-11

Bring your lunch and get ready for summer fun!

June 16: AARGH! PIRATES!

Join us as we read about pirates and maybe even talk like them, too. Surprises afloat everywhere, mateys!

June 23: JUST ADD WATER

Be prepared to get wet! Find out what happens when you add water to things. Weather permitting, we will be outside for the second half of this program.

June 30: IT'S ALIVE!

Small, medium, and large - what lives in the water? Some things are obvious and some...just might be surprising!

July 7: BOATS AND SHIPS

Read about watercraft and join in our race after making your own out of recycled materials.

July 14: PRESERVATION PARKS

A Preservation Parks naturalist will help you explore the world of water through fun, hands-on activities.

July 21: RECYCLABITS

Meet Eric Marlow and learn about the environment, recycling, and how to use your imagination to make toys, games, and jewelry out of recycled objects.

July 28: SCAVENGER HUNT

After sitting in a meeting room all summer for our programs, it's time to break out! Groups of kids will search the library and attempt to be the first to uncover the secrets of the library.

August 4: SAND ART

After lunch and a story, we'll be heading outside to create artwork with sand. We recommend not wearing your best clothing for this program.
