RESERVE YOUR FAVORITE AUTHORS' NEW BOOKS BEFORE THEY ARRIVE

HOW IT WORKS

Fill out the section below with a list of your favorite authors and your personal information. Providing us with this information will allow us to automatically reserve for you the latest titles by these authors.

When the library buys a new book by an author on your list, we will automatically put a hold on the title, and notify you by mail, email, or text when it is available to pick up. You will be among the first library customers to receive a copy.
